T = Is it True?

## "Nobody believes I'm 18 because of my braces and li'l tits, but I swear I'm legal!"

Sally is teeny tiny all over. Her tits are so small she doesn't even need an underwire bra; there's nothing to support! And the braces behind her puffy lips give her a slight lisp. She looks young, but we've checked her ID and she's legal. That means you're free to enjoy her tight teen body.

In this second edition, Blaire squeezes the principal's cock with her cunny. Lily and Elena both blow their tutors before fucking them. Ginger babes Redly and Kasey are skinny sluts who ride their teachers. Alex creams her cotton panties then creams her teacher's cock.

## Skinny, flat and shy, braceface Amai is your dream schoolgirl cumming of age.

Amai is not a girl you'd expect to see taking off her clothes in front of a camera. She's shy and timid, giggling as she pulls down her panties and blushing at the idea that people are looking at her exposed pussy. But yet here she is. "I am shy and quiet, but I'm also really horny! You can be both, you know? I think about sex all the time, probably even more than the popular cheerleaders who are used to getting lots of attention from boys. I'm reserved, so I don't make any moves. But you can bet that when I go home I'm masturbating and cumming to all the dirty thoughts in my head."

Amai may not like her braces, but we sure do!
"I smile with my mouth closed because I don't like my braces. But don't worry; I know how to open my mouth when it's time to give a blow job. Yeah, I may look innocent, but I've done stuff before. I'm pretty good at sucking dick, actually. I can make a guy cum by blowing him, even with braces."

## THE FIRST KISS

Mom says there'll be plenty of time to kiss boys, and plenty of boys to kiss the closer prom gets. But right now…I don't care. I've done other stuff. And I'm just glad my diary has a lock so Mom won't find out!

Janine and I were trying stuff on at her house. Even though she has a little more going on up top than I do–I'm still as flat as a white board–she wears her tops tight and we can still swap. Well, we were bitching about our boy situations today, 'cause she hasn't gotten any attention, either, and she said we should, y'know, practice. For when we do get asked on a date. I wasn't too sure. I mean, Hello?! I don't wanna be embarrassed the first time, either, but how would kissing my best friend be at all like kissing a boy?

"You've got lips and a tongue, don't you?" Janine said, and I guess that kind of explained everything. I mean, her mouth's the same as a boy's is, right? So…we just kinda started making out. It was definitely a little weird at first, because Janine had been changing out of one of my tops, and hadn't put her bra back on, but so what? We've seen each other naked plenty of times. More than I can count!

Janine was all business, at first. Just a typical kiss, you know? Her mouth on mine, nothing crazy. The kind of kiss you'd expect as a starter-kiss. Like a goodnight kiss if a boy wasn't sure how things were going. But, on our imaginary 'date', Janine must've thought things were going pretty good. Because then her tongue was in my mouth, and things got, well, different. I mean, like mega-hot. Janine's tongue was swishing around with mine, and her hand was behind my neck, and I was having trouble trying to breathe and it was so-o-o-o intense! It was almost easy to pretend that Janine was Rob from gym class, or Peter from English. God! I really want Peter to be the one who asks me out. I've gone to bed doing things to myself that I don't even write about because it makes me so scared.

"WE'VE SEEN EACH OTHER NAKED PLENTY OF TIMES. MORE THAN I CAN COUNT!"

What I want him to do with his fingers…and his tongue? Down there? Oh, man! Just thinking about him drives me crazy!

Well, what Janine was doing was making me think about Peter, too, because we weren't just practicing kissing any more, we were really into it. I was kissing back, trying to be as sexy as I could, and Janine's hot tongue in my mouth and the taste of her lip gloss was getting me creamy. It was hard not to notice her titties, too, the way she was mashing them into me, her hard nips telling me just how excited she was. I gotta admit, I was getting carried away, too. Sure, so neither of us had kissed a guy before. Okay, we weren't the only ones, right? We couldn't be! But, both of us knew a lot of girls with boyfriends. Girls from class who'd done things that were way more than just kissing. Megan Wray had sucked a guy's dick before. Like, sucked him off! She'd even let him finish in her mouth! She told us that the taste of jizz wasn't bad, which had sent me running for the girls' room so I could let off some steam. She was dating another guy now, and she hadn't told us if she'd given him a blow job yet, but he sure was into her. Walking her to all her classes, sneaking out of the cafeteria during lunchtime, passing her notes when the teachers weren't looking. You could tell when he passed her a dirty one, too. I felt bad about it, but I so hoped that one day she'd get caught so Mrs. Lind would read it out in front of the class so I could find out what was in it!

Janine didn't just want to kiss any more. Her fingers found my hard nipples, and she started playing with one, kneading it between her fingers, pinching it a little, making it even harder than it was.

"Jan!" I said, a little freaked out. But, then Janine put her mouth on it. She actually started sucking my boob! I totally melted. It felt so good. Suddenly, I wasn't wierded out at all. I wanted her to keep doing it, keep licking my boob and turning me on with her mouth. I was definitely gooey down there now, and I didn't care that there weren't any boys around. I wanted to cum. And…I wanted my best friend to be the one who made me!!

Janine and I rolled onto her bed, knocking off all the clothes we were trying on. I was digging my nails into her hair, holding her mouth on one nip, then the other. It felt so good it made me want to cry. Then, Janine started shoving my panties down, the way I imagined Peter doing, and I thought, is she? Is Janine really going to…to…

"DUANE TAPPED MY ASS WITH THAT BIG COCK OF HIS."

Jan's tongue on my special spot made me groan. I mean, real loud. I was so glad no one else was in the house, because I couldn't possibly have stayed quiet while Janine was going down on me. And sure, I don't have any experience. I don't know what it's supposed to feel like when your pussy gets kissed for the first time. But everything Janine did felt so incredible. She worked my clit like a pro. It made me wonder if she's been watching girl-girl videos online, because she made me gush so fast, I couldn't believe it. I couldn't even really tell it had happened until she kept going and I creamed her face a second time!

"Jan!" I gasped. "Y-you got me off! Like, I actually came!"

She looked proud, her face soaking wet and glistening with my pussy juice. Well, I couldn't just let her have all the fun, could I?

I got down on all fours and peeled off Jan's soggy bloomers, turned on by how neatly trimmed her pubes were. She must have been practicing! Her pussy looked so pink and ready. Now, it kinda felt weird again. When Jan had been going down on me, all I paid attention to was how it felt. Not actually what she was doing.

It didn't matter, I decided. Hadn't I spent enough nights finger-fucking myself before bedtime, imagining what it would be like if Peter was eating me out? Wasn't that enough pussy practice?

I started pretending I was the boy, doing things to Janine that would get her all bent out of shape. Dirty things. Things that would get her pussy dripping. Things that I told her about just before I did them. Anything I could think of that would get her to cum in my mouth…

We finished with Janine straddling my face, her love lube coating my cheeks, my index and middle fingers making her scream! Making her promise to do things to me the next time we got together. Things I'd never even thought of before.

So, no boys still. But that's all right. There'll be plenty of time, mom says. And until then? Me and Jan are totally cool with it.

–B.K., Lake Hopatcong, New Jersey

## THE LOOPHOLE

I don't talk much about what I do with boys, mainly because the guys around here? Not much to tell, all things considered. Still, we had class pictures the other day, and things, well, got a little out of control.

"I'm not a bad girl. I just want to have some fun and fuck some cocks!"

## Aurora has done some time in detention.

"I wasn't a bad student as far as grades go, but I would still get sent to detention a lot for skipping with boys! We'd cut class and go behind the bleachers or other secret spots around school to makeout. Sometimes it was a little more than making out. Sometimes they'd eat me out or I'd suck their cocks. I'd go to my next class with the taste of their cum still in my mouth."

## Delinquent teens are always fun!

"There was one time I had sex at school. It was at a football game and my boyfriend and I were sitting at the top of the bleachers. I was wearing a skirt and I was on his lap. He took his cock out and slipped it in my pussy right there, with tons of people around us. I don't know if anyone noticed, but it was the hottest thing ever!"

# Emily

"I never thought people would end up seeing my pics. Oh well! Hope they came hard to them!"

## Emily is the best of both worlds: a fresh 18-year-old and true amateur.

In these photos, Emily had been 18 for less than a month. She'd never done any porn before, and in fact, she had just started her senior year. And just as soon as she arrived, she was gone, never to be seen again. We're lucky she decided to share her knock-out body with us for the brief time that she did. Although certainly not a flattie, there's no denying the sex appeal of this tender teen's tight-yet-curvy figure.

Especially now that I broke up with my boyfriend. It was too much responsibility. I like being free to fuck whoever!"

# SCHOOLGIRL CONFESSIONS

*Continued from page 28*

Duane's been trying to get into my panties since the beginning of the semester. He isn't the kind of boy I would date, though, let's get that out of the way. He's rough around the edges, always hanging out in the auto shop even when he doesn't have class, that sort of guy. Not that he's bad looking or anything. In fact…that's probably why he keeps trying. He knows he doesn't have a shot with me, but it doesn't stop him, because he knows he's cute.

So, I'm waiting for my name to be called for the yearbook photo, and who's there standing behind me? Duane. He keeps trying to get my attention, even pinched my butt once! I didn't make a big deal about it, of course, no need to cause a scene, but I can't believe he just grabbed my ass like that! Right there in the hallway! Luckily, there weren't many people around to notice. I thought Katie Reeves might've seen, and gave her a look to check if she had my back, but no such luck. If she saw Duane getting all up on me? It didn't look like she cared at all.

"Hey, c'mon," Duane said, taking my hand. I really didn't want to go anywhere with him, but he was all hot and bothered about having to wait so long for pictures, and I was pretty bored too, so…

He pulled me into Mrs. Seery's room, which was totally empty. The shade was already pulled, which seemed kind of strange, but that was probably just Duane, thinking he might get somewhere this time. Yeah, right.

"You look good for your picture," he said, giving me the eye. Like I needed him to tell me that. But, it was nice that he noticed, even if he couldn't stop trying to feel me up.

"Stop that!" I said. Not that he did. I was kinda giggling, though, so it wasn't the clearest of messages. Plus, whenever he did get hold of one of my boobs? It felt…it felt really good.

"Will you come on?" I finally told him, pushing him away. I was breathing heavy and my nips were hard! Damnit, why did Duane always turn me on when he was around? He wasn't my type, not at all. But…when he touched my tits and reached around to cup my ass. Oh boy, was I in trouble.

"Duane, for the last time!" I said, sticking my hands out, hoping I wouldn't have to re-do my makeup.

"MY TEETH WERE CLATTERING FROM THE DRYER AND THE POUNDING I WAS GETTING."

Instead of backing off, though, he just took my hands and put them on his bulge!

"Duane!"

He pressed against me, kissing me on the mouth, hard. God, he had me going! I was groping his crotch, feeling his hard-on. I couldn't believe how excited he was. He felt as hard as the desktop.

"Duane, r-really…We can't. At least, not here."

"Touch it," he whispered, his breath hot on my ear. "Come on. You know you want to."

He was right. I did want to. His cock felt amazing. He was fidgeting around. I could tell he was opening up his pants.

I didn't think it was the smartest move–fooling around in Mrs. Seery's classroom, but then I thought, who would ever know? No one was likely to come in, not on photo day. If our names got called? Oh well, we'd just have to wait until they called us again for make-ups tomorrow.

Duane's cock was big and hard and wet at the tip. When my thumb touched it, it twitched like it had a mind of its own. I gulped, wondering what it would be like. What if I kept stroking it? Would he be satisfied if I gave him a quick hand job? Or was he really intent on doing more?

I knew he wanted me, he'd told me before. But here we were, his cock in my hand, my blouse unbuttoned. Shit, when had that happened? I didn't even remember. One of my bra cups was pulled down, my nipple sticking out. Duane saw me looking and started working it over.

"Duane, we can't. What if we get caught?"

"Just keep stroking it," he said, his mouth full of tit. "Don't worry, I'm not gonna shoot in your hand."

Well, gee, thanks; what a relief that was!

"Duane, you better not jizz on me!" I warned. Then, just to tease him a little, I spit in my hand. Started jacking him a little bit faster.

A handy. That would be cool. I didn't mind. I'd just have to jack him on the desk…or maybe into the trashcan.

I wasn't going to suck him, after all. I wasn't interested in, y'know, tasting it or anything. Not really. Besides, I could always spit in my hand again. Maybe, lick my palm when he wasn't looking. You know…just to see.

"Pull down your pants," he said,

In an issue dedicated to schoolgirls, there's no way we could leave Alice out. Not with that classic schoolgirl uniform or the tasty body that's hiding underneath it. And one of the best things about Alice? She actually likes to wear her schoolgirl uniform! "It makes me feel sexy. I love my little red skirt and my white sockies."

## She puts those big pussy lips to good use.

"I'm bi, so sometimes I hook up with the other girls in school. Just like I feel sexy in my uniform, it turns me on to see them in their uniforms too. I like to eat them out while they keep their skirt on. Then we rub our pussies together, and it feels so good 'cause I have big twat lips. So the other girl gets to feel my big pussy lips rubbing on her clit."

## Heather's a great teacher.

Ava is nerdy and innocent, but Heather's had her share of fun. She made sure to teach Ava how to properly suck a cock by deep-throating and gagging on it a little. "I'd only blown a guy once before," Ava said. "But it was nothing like the way Heather showed me. She can really take the cock deep. I'm not there yet, but with enough practice I could be!"

## Sweet teen pussy…it's not just for guys!

Everyone wants to get a taste of teen pussy, from horny male classmates to female best friends to the MILF-next-door. Maddy was shocked to learn that a hot cougar like Desiree would be into her. "No one ever made me cum as hard from oral as she did!" she told us. Meanwhile Aubrey gave Sammy her first taste of pussy. "I'm bi and she was curious, so I went for it. I loved showing her what it was like to eat pussy."

Isabella & Teagan

pressing into me again. This time grinding his erection into my zipper.

"No way!" I hissed. "Un-unh. You want me to jack you off? Fine, I'll make you cum. But you're not getting my virginity, Duane. I'm getting married with it!"

"C'mon," he tried, pressing his tip into my tummy. God, the pre-cum was just oozing out of him! "You know you want me inside you."

I turned away. I couldn't hide it. I did want him inside me. And, right now, I was starting to rethink my virginity stance. I wanted to keep it. I really did. I wanted to save that for someone special. Duane's sticky dick was stabbing me in the belly, though. He was so hard…

"Turn around," he said. "Trust me. I won't touch your cherry."

I did. I was still terrified, though, as he worked my jeans down, then my panties. Suck him. That's what I thought. The idea of getting down on my knees was plenty hot. I might've been a virgin, but I still wanted to do stuff. Right now, I wanted to see what it was like to give a guy head. To have him cum in my mouth.

All of a sudden, Duane was in me. Inside me, just like I wanted. Not in my mouth or my pussy, though. Even though I didn't think he could push it all the way in, Duane tapped my ass with that big cock of his and started pumping his dick into my butt.

I couldn't believe it. Getting ass-fucked in school? With the freaking door open and people walking around in the hallway? I nearly lost my shit. I couldn't deny it, though. Duane was really good. All that slop oozing out of his cock made it, well, not easy, but easier. I could feel the twat sauce running down my thighs, whimpering, waiting for the moment when he wouldn't be able to hold back any more.

Duane erupted in my butt. Thank goodness I hadn't blown him, because he'd have choked me with his jism. He pumped shot after shot up my ass, while tears streamed down my face, I came so hard! I never would've thought so, but giving Duane my ass cherry was worth hav-

## SEXTRA CREDIT

Professor Harlin has it going on. There's a couple of decent-looking professors at school, sure. But Harlin? I've been flirting with him since the third day of classes. Yeah, some of the other girls make nasty comments, but who cares? I know they're just jealous. And…now they have something to be jealous about!

This weekend was the Homecoming game, and I was working the charity car wash to raise money for the dance. I didn't really care about the game or the dance, but professor Harlin is very involved in student activities, so since he was going to be running it? Hell yeah, I was going to be there in all my wettest-T-shirt glory! Not that I've got really big ones, but still. I was going to wear my thinnest white top and the snuggest bra I owned. When the hoses started running? I sure as hell was not going to be one of those prissy girls who worried about staying dry.

Not that that was possible. Harlin? He showed up in a wicked cool pair of workout shorts, flip-flops and a Rolling Stones t-shirt. That's what makes him so cool. He's hands-on. Yeah, he could have just sat around and collected money, but nope, he got right into it along with us. Helping wash cars, do tires, dry SUVs, whatever needed doing.

By lunchtime, though, what needed doing was me. Washing cars was hot and sweaty work, and no matter how much hose time I got, the sun was doing a number on me. It didn't stop my shorts from getting wet, though–no hose necessary. Around one o'clock, when some of the other kids broke for lunch, I got my chance.

"Can I get a hand?" I asked, holding up two heavy buckets full of wet towels. Professor Harlin was right on it, like I knew he would be. He helped me carry everything inside to the coed dorm laundry room so we could use

LIVES: Portland, Oregon

## Petite and cute, Dolly lives up to her name.

Standing at only 4'10", Dolly is the kind of girl you can pick up and toss around when you're screwing her. She's your little fuck Dolly. "I love it when guys pick me up and fuck me in the air. I'm so light that it's easy for them to hold me up and bounce me on their cocks. But the only drawback to being so small is that I can't take too big of a cock. It just won't fit!"

## Dolly might be cumming to a classroom near you.

"I think it would be fun to have sex in a classroom, preferably with a cute lady and an older man. He could do me from behind while I munch her carpet! I like girls and guys, so three-ways really satisfy me."

She's got a feeling between her legs, and it's telling her to take off her little bra, slide off her panties and play with her pussy, all while you watch. ## She wants her cunt show to turn into a fuck show.

"There's this one boy at school I wouldn't mind putting on a show for. Whenever I see him I get this funny feeling in my stomach, and then I have to run to the bathroom and rub my clit till I cum. It'd be nice if he could watch me do that and know that I was thinking of him. But I'd want him to do more than just watch. I'd want him to take his cock out and jack it till it's nice and hard, and then stick it in my little pussy."

## Raven's gone through a growth spurt and none of her tops fit her anymore!

Her cleavage is bursting out of her button-down shirt for school, and while the administrators might have a problem with it, we don't mind at all. "What am I supposed to do with these?" Raven asks while rubbing her tits. She figures it out pretty quickly once she starts massaging and squeezing them.

## None of her school clothes fit her, so she may as well just stay home and cum.

"If I went to school with my boobs popping out of my shirt, I'd just get sent to detention. Until my mom can take me to buy a sweater to cover these puppies, I'll just stay home and play with 'em. And maybe rub my pussy a little too."

"I'm a little bit naughty and a little bit nice. I can be sweet and proper. But when I get turned on, I don't want to be nice anymore. I want to say dirty things like, 'Lick my pussy, fuck me, make me cum.' And then I want you to do it. Nice girls don't say things like that, and they don't let boys do things like that to them. They don't take loads of cum on their face either, but I do."

## Okay, maybe she's more naughty than nice.

"Yeah, I've cum at the university before. I've masturbated in the bathroom and in the science lab. And you know what? I even fucked a very important person in their office. I won't say who 'cause I don't want to get them in trouble. But it was so hot. He didn't even take his pants off, just undid his zipper, took out his dick and fucked me while I was bent over his desk."

the dryer. When we got it packed with the towels and sparked it up, the old machine sounded like a jet engine!

"Hmnnn," Harlin said. "Maybe we put too many in."

"You think?" I asked, hopping on top of the machine. "Whoa! That's really rocking. The vibrations… they're going right…through…me."

I spread my legs, riding the corner of the dryer, my wet shorts showing off a perfect cameltoe.

"Debbie," Professor Harlin said, trying to find someplace else to look. He couldn't.

"Oh, sorry," I said, wriggling out of my bottoms. "I should've put these in, too. I didn't realize just how soaking wet they were."

There I was. My titties clear as day through my t-shirt. No shorts or bloomers on. My fuzzy bush staring at him. Professor Harlin? He was looking all sorts of uncomfortable. I thought his junk was going to rip through his shorts!

"We really shouldn't," he said, but I wasn't listening. I grabbed hold of his cock and pulled it out, rubbing it up and down along my slick pussy.

"But we're going to, aren't we?"

I didn't have to ask, really, but if he had any reservations, they disappeared when I pulled his tip inside me and wrapped my legs around him, the dryer doing its thing while Professor Harlin started hammering away at my box.

Professor H. was fucking hung. My sister's biggest fuck toy? It was nothing compared to his cock. It was a good thing I was sitting on top of the dryer, because I wasn't sure my legs would hold me up given the intense boning I was getting. Every thrust was balls-deep, every inch of my tunnel filled with cock.

The spin cycle began, and Harlin really started unloading on me. My snatch was making splotchy sounds every time he crammed that huge dick into me. My teeth were clattering from the dryer and the pounding I was getting. I knew it was time to orgasm, because I really couldn't last another second.

"I-I'm cumming!" I cried, girl goo flooding out of my twat. The corner of

the dryer was slick with my juices. Professor Harlin kept going, though, driving deep inside me. I was dizzy, he was fucking me so good. But I knew we'd been gone a long time. If he didn't finish soon, there was a real chance someone would come looking for us. As if on cue, the dryer started winding down.

"We don't have much time," I told him. "You need to cum! I want to feel you blow your load!"

Thinking back on it, he probably could've lasted longer. We probably could've changed positions. Heck, who knows? Maybe I could've cum two or three more times. I sure wanted to. But with the drum slowing down, Professor Harlin gave me everything I'd been dreaming about since September.

"Debbie, get ready!"

I slipped off his cock, his massive meat muscle slapping against my damp thighs. I dropped to my knees, grabbing hold of his stiffie and putting it between my boobs.

Ball butter shot up under my chin, a shower of cum raining down on my nips. Professor H. grabbed me by the hair, whacking his wiener with his other hand, spraying me down with what felt like a pint of cum! Holy shit did he have some full balls!

"That's it!" I told him. "Yeah! Shoot your fuckin' cum all over me! I wanna wear your load!"

If he had anything left, he didn't hold back. I had jizz on my face, on my neck, on my boobies, running down my belly…I don't know how he managed it, but I was kneeling in a puddle of it when he finally finished. He was so drained he had a hard time catching his breath.

"Here," he said, grinning at me. "I'll go take the rest outside. This one…you better use."

He handed me a warm towel, reaching between my legs to get into the dryer. Not only that–he didn't miss the chance to tweak my clit with his thumb while I stood there, drenched in his spooge.

"This one's gonna need the washer," I said, wiping a huge gob of his nut cream off my chin.

"No worries," he said, looking back at me with a sly smile. "We can always do a second load."

After the car wash was over? That's exactly what we did!
